Newsletter November 24-11-2021 by Clare on 24 November 2021

WE ARE BACK!

Our first tournament was held on Wednesday 17th of November declared by our President Les to be our open day, with a great turnout of club members, all keen to get onto the green and catch up with each other outside in the fresh air.

With keen bowlers ready to join into the Wednesday Club Triples and Friday HK doubles, some great work has been done behind the scenes to ensure we keep the groups to 25 bowlers only on the green, with alternative weeks for the triples and the doubles split between morning and afternoon sessions.

We will be back to normal days and times effective from 1st of December will all members vaccinated, please ensure you have either sent your proof of vaccination to our email bhousebaybowls@gmail.com or provide a copy to either Barry our Office Manager or Fleur our Club Secretary, to ensure you can participate in all our future events.
