Traffic Light- Red and the Club is Pumping!

It has been great to see all our vaccinated club members back in numbers, with normal club activities resuming again starting with the Hong Kong Pairs last Friday afternoon. We of course were allowed back into the club rooms again on Friday night, and the Club pairs kicked off last Saturday, with two nearly full greens.

Many thanks to our hardworking Executive Team who have put in many volunteer hours to make this all happen.

The hostess with the most-ess!

Many thanks to Les & Lesley for coordinating the Auckland Centre Reps Battle of the Bridges last Sunday - and to the great team of volunteers who without the club couldn't host these events.

Auckland Women's Rep Squad Manager - Helen Blick Congratulated Blockhouse Bay Bowling Club on how well it ran on the day, with high praise for the green, the food, the umpiring and the friendly bar service and refreshments.

Quote: "All in all Les, Blockhouse Bay is a credit to the Auckland Bowling Community."

Committee to raise funds to help upgrade our outdoor areas.

"We have all thoroughly enjoyed using these areas over lockdown. We are very keen to see them upgraded, so we can all enjoy our outdoor surroundings.

Thankfully we have been fortunate to receive several generous donations so far. If anyone else would like to donate we would be extremely grateful. To increase funds further we will be offering some lovely enticements over the next little while. Starting Friday 10th Dec, we will be offering a sausage sizzle at the end of Hong Kong pairs. We would appreciate you supporting our efforts."

Val. Lesley L, Bronwyn, and Lloyd.

Friday Pizza Night

We had a happy bunch of bowlers enjoying a selection of very tasty Flame Pizza's @ \$15 per head.

We will be offering this enticement with Pool Pairs \$5 entry winner take all, and darts games once a month.

Please come along and join in the fun!
