PLAYING PROGRAMME FOR THE REST of 2023

The playing programme for the rest of the year remains the same as in the previous Newsletter. All un-finished club competitions not played on Sunday 19th November will be re-scheduled to some other dates in 2024.

The last day of Roll Up is Tuesday 19th December. It will resume on Tuesday 9th January 2024. Due to poor response in the past, all Roll Ups on Saturday in the new year will be put on-hold. A decision will be made if the situation changes.

RESULTS OF COMPETITIONS

Two more Club Competitions were completed in November:

- ❖ Hunt Cup Drawn Triples – Winners: Doug Vague, Lucy Waterhouse & Margaret Rovers;
Runners-Up: Weng Lim, Barry Hopkins & Anil Sethi
- ❖ Club Ham Drawn Pairs – Winners: Craig Moffat & Gwen Ng;
Runners Up: Tony Holdsworth & Fleur Grenfell

BOWLS AUCKLAND EVENTS

Bowls Auckland has made changes to entering Centre Events beginning Monday 27th December. From now onwards, entries to all centre events will require players to have an active BowlsHub profile and ID number. This will start with the next coming event: Bowls 3Five Open, to be played between 23rd January and 20th February 2024. To help members signing up to BowlsHub, Bowls Auckland has prepared a detailed guide and a short video, outlining the steps to be taken. Please check Bowls Auckland Web-site.

If you are interested in the Jarden Open 2-4-2 Mixed Pairs to be played on Thursday 28th and Friday 29th December, put in your entry now, as it closes day after tomorrow on 3rd December.

TOWNIES vs ISLAND

One of our members, Weng Lim, was among the contingent of 19 townies from Bowls Auckland who headed across the Gulf to play Club Waiheke in the annual “Battle of the Gulf” Event. It was a fun-filled and enjoyable day for all the participants, playing 3 rounds of 2 bowl Triples with different team members for each of the rounds. We played on astro-turf green and the speed was quite slow. The townies did struggle a bit but all in all, the competition was friendly and evenly matched.
