VOLUNTEERS

One of the features of our club is that it is the melting pot of members from different walks of life. Many use their talents/skills and give their time and effort, volunteering to make our club a better and more comfortable place. Here are two of them:

There was (and still is) a Fundraising Group set up in February 2022, led by Val Carpenter, with Bronwyn Hunter, Lesley Lennie and Lloyd Turner, by selling raffles and sausage sizzles on most Friday evenings. When Val and Lesley stepped down, Kathy Dopheide and Bev Munro joined the team. Achievements so far: the smokers and external veranda areas have been tidied up and repainted, 3 outdoor tables and 9 comfortable chairs were bought, new chairs and refurbishment of the bench seats with new squabs, new non slip mats for all external doors and new bowls cloths and BHB monogrammed caps for all new members. They are currently working on supplying water proof shade screens (canopies) for Smith Green.

A very big thankyou to all of you who regularly pass over your \$3.00 for our very delicious sausages.

Cheers from the sausage sizzlers.

Lloyd, Les & Trevor working on the canopy

You might not see him often, but Karl Hughes has been mowing our driveway bank all these while. Thank you Karl.

LADIES' DAY OUT

Some of our lady members went over to Waiheke Island on Tuesday 13th February. They had an enjoyable day there, having lunch at ViniVino Restaurant, looking over the beautiful beach. According to Shona, they had great food, great company and great 'cocktails/mocktails'
